

Outreach Coordinator

The Guernsey County District Public Library is seeking candidates for the position of Outreach Coordinator. The library consists of three locations and a bookmobile that serve 40,000 residents. The library has a budget of over \$2,000,000 and approximately 20 FTEs. Located in SE Ohio, 30 minutes east of Zanesville, the library is within an hour's drive of Canton, Marietta, and Wheeling, WV. The ideal candidate would be someone who is looking for challenges and opportunities in exploring new and creative ways to deliver library services to the public. Our community has been without a Bookmobile for over a decade and took ownership of our new one in the middle of the pandemic. This is an opportunity to create and build a service that we believe is vitally needed in Guernsey County. Benefits include holiday and vacation pay, sick leave, O.P.E.R.S., paid professional memberships, and individual health insurance. The salary range is \$35-45,000, depending on qualifications. Please visit <https://tinyurl.com/2e8n27r6> for a full job description.

Questions? Please ask! This is an important position for the GCDPL and we want to make sure we do everything we can to not only find a person who could do the job, but to also find a person who would be happy in the position.

Those applying or with questions can contact apply@gcdpl.org.
